It's a must for anyone looking for a new ride or who wants to see the car of your dreams in real life. The show is also the place to see Motor Trend's 2017 Car of the Year, the brand new Chevrolet BOLT which the magazine says has "set a new benchmark for electric vehicles."

Once again, the duPont Registry Live is bringing a collection of pricey and priceless rides from the likes of Lamborghini, Bentley and McLaren.

If they like what they see, visitors can even test drive the latest models from Toyota, Ford, Chevy, Chrysler, Jeep, Dodge, RAM and Fiat.
