The 2018 Motor Trend International Auto Show pulls into the Baltimore Convention Center Thursday, February 8 through Sunday, February 11 with over 500 new cars and trucks.

If you're in the market for a new automobile, the Show is a great place to see everything the industry has to offer in a no-pressure environment. Find the car that catches your eye, sit in the driver's seat and get your questions answered from manufacturer experts who are there to help you, not sell you.

Test Drives

Ready to hit the streets in the 2017 Car of the Year, electric Chevy Bolt? Or the all-new eighth generation Toyota Camry? Do it! The Show offers test drives with the latest models from Chevy, Chrysler, Dodge, FIAT, Ford, Jeep, Ram, and Toyota.

Scintillating Supercars

For any attendees planning on winning Powerball, (or who just love to gawk), duPont Registry Live returns with an elite collection of cars that cost hundreds of thousands of dollars that you're definitely not allowed to test drive!

Citgo Kids Test Drive

New this year for the younger car enthusiasts: The Citgo Kids Test Drive where kids can drive mini models around a special racetrack – no driving test required. (Citgo Test Drive Hours: Thursday and Friday 4 p.m. -8 p.m., Saturday and Sunday 11 a.m. – 5p.m.)

More Fun:
