An epic four days of autos for the shopper, browser or dreamer

The 2019 Motor Trend International Auto Show rolls into the Baltimore Convention Center Thursday, February 7 through Sunday, February 10 with over 500 new cars, trucks and crossovers.

With all the 2019s in one place, the show is a great destination if you're looking to upgrade your ride. The displays are staffed by manufacturer experts, not salespeople, so visitors can get every question answered without worrying about credit checks or down payments.

Test Drives

Once you've kicked the tires, take to the streets and test drive cars from Chrysler, Dodge, FIAT, Jeep, Ram and Toyota. Take in the invigorating February air in the Fiat 124 Spider convertible or see how the new-look Jeep Cherokee fits your commute.

Get your cameras ready because the highest of the high-end will be on display from duPont REGISTRY LIVE. The cars you've only seen in the pages of prestigious magazines will be right in front of you, including models from McLaren, Rolls-Royce, and Aston-Martin, plus Overfinch – the ultimate Range Rover.
